I know - really hard to watch. Had to turn off TV yesterday, I was busy anyways.

Another opportunity to help our neighbors. I wonder if we will see an influx of people to our sunny state. Can't even imagine losing everything in one night/day.

I lived in Florida for 33 years, and even though I prefer a Hurricane to an Earthquake, because you know it's coming, it is sometimes far more devastating.

Have a great night

Warm regards,

Cindie

Dear Cindie:

Terrific news! I will put Kevin down as a yes. I know its absolutely devastating to see what is happening in Houston - its really hard to image that mother nature could be so cruel.

Yes indeed it is - but who can complain after seeing what happened in Houston TX and beyond.

Kevin will be delighted to attend. I will place on his calendar for attendance.

Thank you

Warm regards,

Cindie
